ADA Representative

Dr. Richard Serchuk

New Business

Due to a light agenda, the Council on Ethics cancelled their meeting that was scheduled for Friday, March 11, 2022. However, there were two items of business that the Council on Ethics members needed to take care of before the NYSDA House of Delegates meeting in June. They needed to forward a name for council chair and lay observer for 2022-2023. These are yearly appointments for the President (Lay Observer) and the President and Board of Trustees (Council Chair) to approve.

The Council members voted via Survey Monkey and voted to recommend Dr. Nick J. Vittoria (Suffolk County) to Dr. Galati for an appointment as the chair of the Council on Ethics for 2022-23. If appointed, this will be Dr. Vittoria's second year as chair.

The Council members also voted via Survey Monkey to recommend Robert Stern as the appointee for the position of lay observer.

The next meeting of the Council on Ethics will be held on Wednesday, June 22, 2022 at the NYSDA Headquarters.
